

AT&T Cabling Systems

*A Cabling
Legend Reborn*

*AT&T Cabling Systems
provide complete enterprise
solutions and
state-of-the-art LAN cabling
components for all needs.*

AT&T Cabling Systems

Our high-performance network infrastructure solutions based on innovative designs and highly advanced technology are the first choice for all applications. Faithful to the world-leading AT&T heritage, combining world-class reliability with the unique AT&T Millennium™ Lifetime warranty, AT&T Cabling Systems is your key to years of fail-safe and trouble-free operation, minimizing system downtime and maximizing your profits.

AT&T Cabling Systems

AT&T Cabling Systems Goals

AT&T Cabling Systems Continuous goals:

- *Supply high performance network infrastructure solutions, virtually anywhere in the world.*
- *Provide high performance advanced technology and services.*
- *Satisfy the IT infrastructure needs of our global customers.*
- *Provide continuous expert support and be a reliable partner to all our customers.*

These goals are achieved by a unique combination of deep knowledge of all LAN cabling aspects, integrity, teamwork & creativity, all provided under the trusted AT&T brand.

About AT&T

About AT&T

AT&T is the largest communications company in the world by revenue, operating globally under the AT&T brand.

For more than a century, AT&T has consistently provided innovative, reliable, high-quality products and services with excellent customer care.

AT&T's mission is to connect people with their world, everywhere they live and work, and do it better than anyone else.

This vision is fulfilled by creating new solutions for consumers and businesses, and by driving innovation in the communications and entertainment industry.

It's not complicated

it's not complicated

Faster

Plug & Play Pre-Terminated Cassettes

it's not complicated

Efficient

All keystone jacks (both shielded & unshielded) fit into 1U 24-Port and 1U 48-Port panels.

All keystone jacks (both shielded & unshielded) can be terminated in a single action by the same multi-punch-down tool and the same blade.

it's not complicated

Bigger

All components are designed with an embedded bigger margin over industry standards.
